Forks Walking Tour Map

We developed a walking tour that includes *every* Twilight Saga location found within the town of Forks—novel-related places, as well as businesses that sell Twilight Saga merchandise. Our tour begins and ends at the Forks Chamber of Commerce and Visitor Center (COC).

The full TTTS Forks Walking Tour requires a minimum of 8 hours. Although an easy walk—the longest between-site distance is only 16 minutes—we split the full Forks tour into two maps for Twilighters who wish to visit Forks in two parts: a **Forks Drive** and a **Forks Core Walk**.

La Push Drive Map

The La Push Drive Map includes *every* Twilight Saga location between the center of Forks and First Beach in La Push. Our map also includes two optional beaches where you can visit the La Push **Tide Pools** described in *Twilight*.

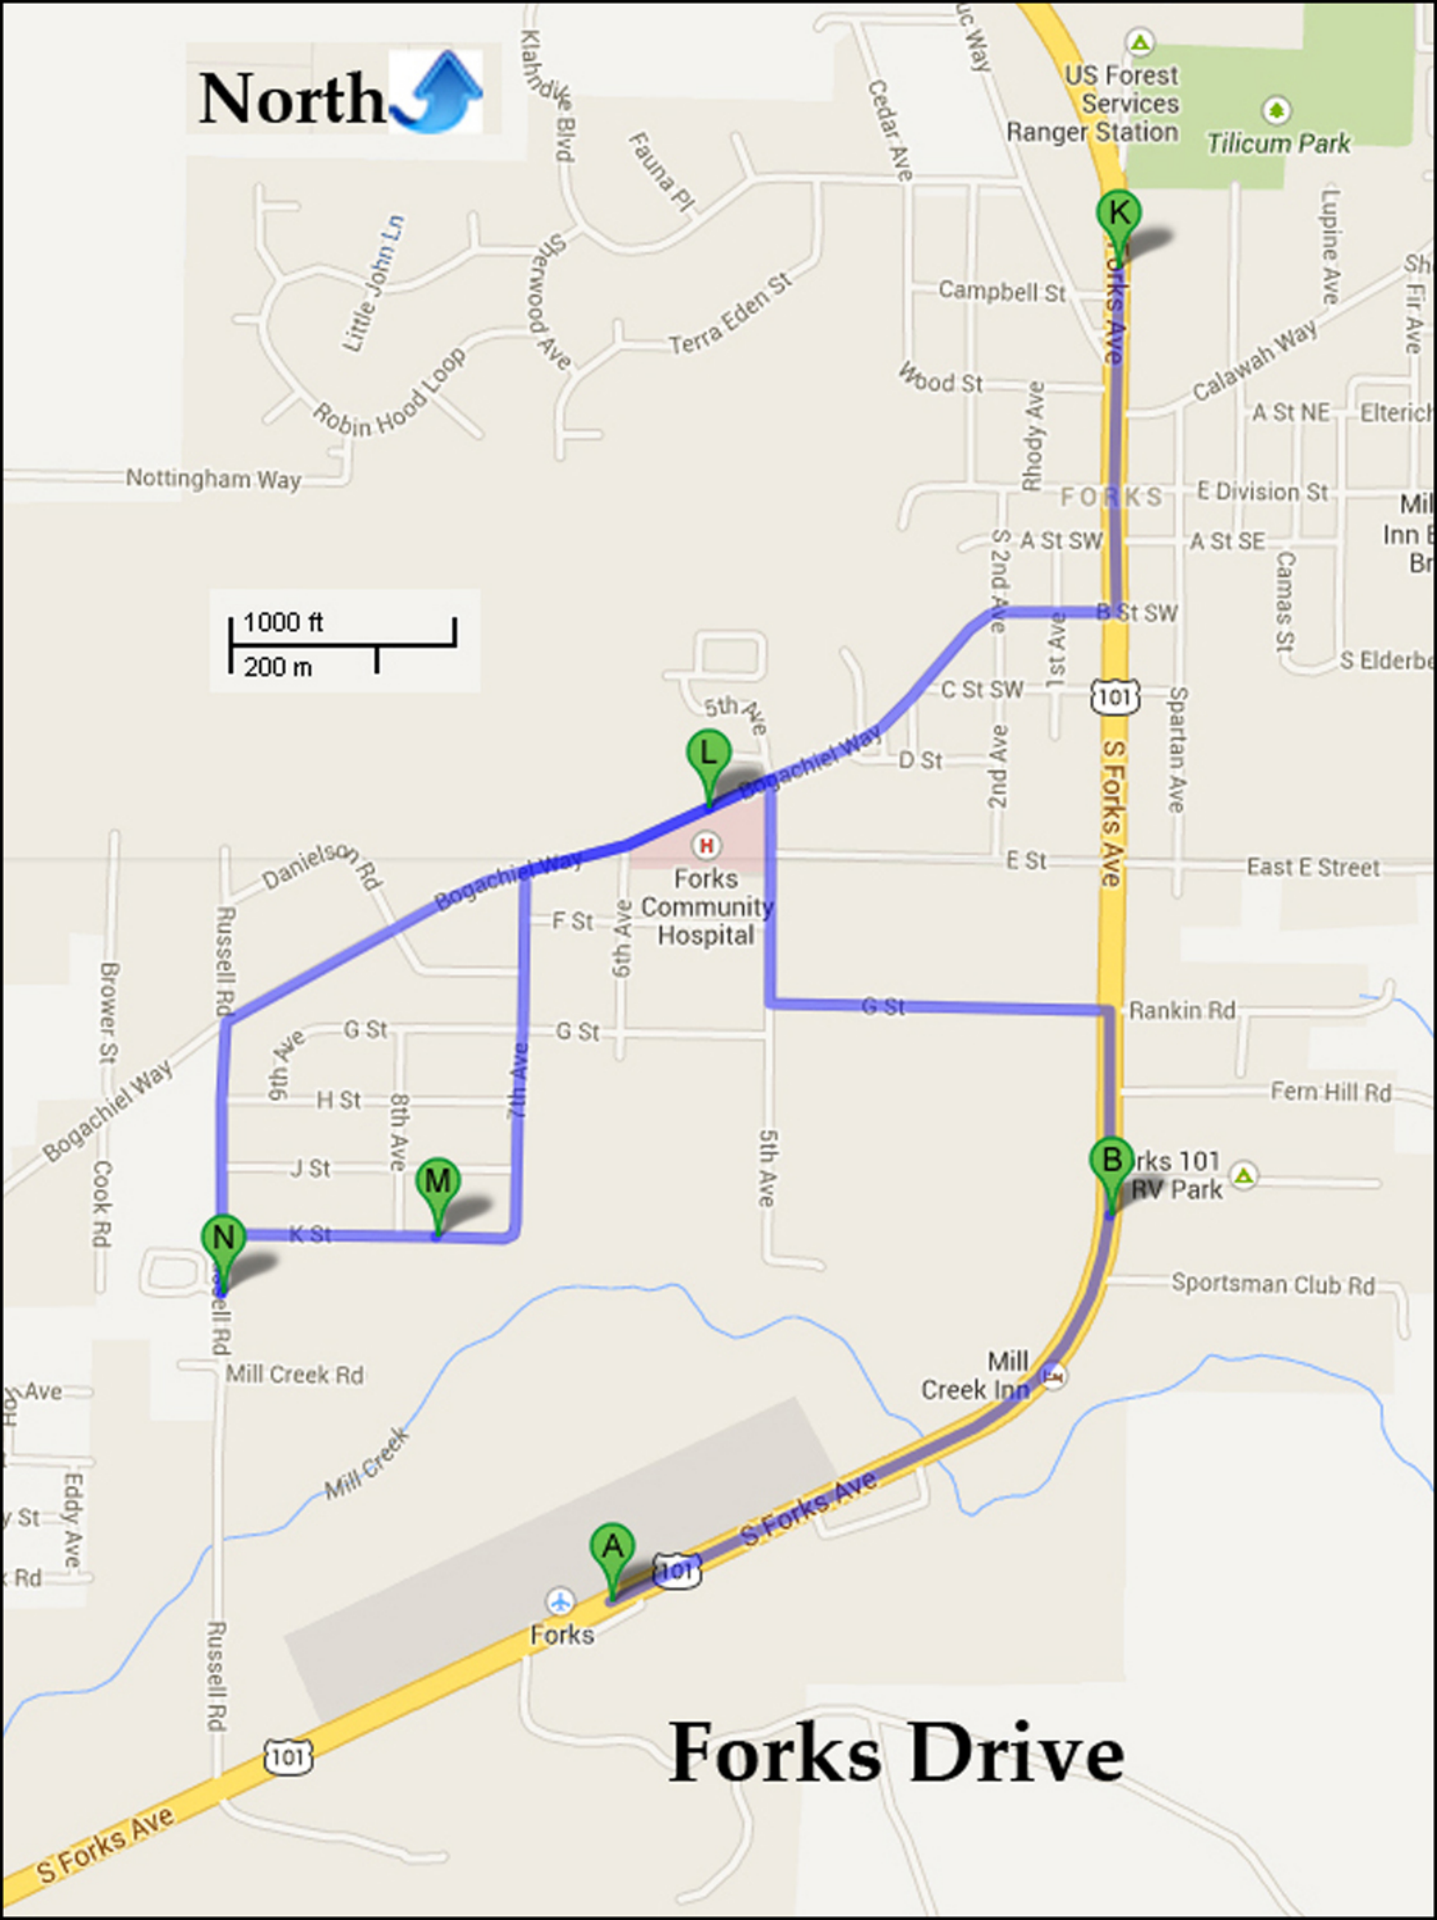

Our map begins at the Forks Chamber of Commerce Visitor Center for reference purposes only. You can start the drive from *any* Forks location by programming your SatNav/GPS device with the first site's address.

Our **Map Keys** and site addresses are found in the **Forks Prologue** chapter of Tour The Twilight Saga Book One, along with travel times and suggested visit length for each site.
